To maintain a safe environment for all attending, the following rules always apply:

- Each person entering the River Road Hub to attend the gym must swipe their card.
- The front door is to always stay locked unless opened for another group in the facility.
- There will be a code keypad on the door to the Hub workout facility. The code to this room will be emailed to members and the door to this room is to always be closed. This is to ensure the safety of users and also keep children, who are often in the building, out of the workout facility.
- Photos or videos of anyone other than yourself without consent is prohibited.
- The equipment is to be used only as shown during your orientation. Your membership gives you access to the Fit Pit and washrooms only, not the gymnasium or any other space in the Hub.
- Do not drop or let drop weights
- You are responsible for your own safety in the Hub workout facility and you are attending at your own risk. You are responsible to evaluate your own physical activity readiness in the event of a change in health status or injury.
- Please do not instruct other gym users if you are not trained to do so.
- You will adhere to cleanliness and sterilization guidelines as described in your orientation
- Greenwich Recreation reserves the right to terminate membership if safety guidelines are not followed.
